PROXY STATEMENT

Annual Meeting of Stockholders to Be Held on Thursday, June 25, 2020

This Proxy Statement is furnished in connection with the solicitation of proxies by the board of directors of EyeGate Pharmaceuticals, Inc. (the “Company” or “we”) for use at the Annual Meeting of Stockholders of the Company to be held on June 25, 2020, at 1:00 p.m. Eastern Time, at the offices of the Company, 271 Waverley Oaks Road, Suite 108, Waltham, MA 02452, and any adjournments or postponements thereof. You may obtain directions to the Annual Meeting at www.proxyvote.com. At the Annual Meeting, the stockholders of the Company will be asked to consider and vote upon:

1. The election of the director nominees as Class II directors, nominated by the board of directors (or the “board”), for a three-year term, such term to continue until the annual meeting of stockholders in 2023 or until such directors’ successors are duly elected and qualified or until their earlier resignation or removal;
2. The ratification of the appointment of EisnerAmper LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2020;
3. The approval of an amendment to the Company’s Restated Certificate of Incorporation to decrease the number of authorized shares of common stock to 50,000,000;
5. Such other business as may properly come before the Annual Meeting and any adjournments or postponements thereof.

Stockholders may attend the Annual Meeting in person. However, based on the evolving coronavirus pandemic and related government guidelines, we urge stockholders not to attend the Annual Meeting this year and to instead vote over the Internet or, if a stockholder receives proxy materials by U.S. mail, by mailing a proxy card or voting by telephone.

Under rules and regulations of the Securities and Exchange Commission, or SEC, instead of mailing a printed copy of our proxy materials to each shareholder of record or beneficial owner of our common stock, we are now furnishing proxy materials, which include our Proxy Statement and Annual Report, to our shareholders over the Internet and providing a Notice of Internet Availability of Proxy Materials by mail. The Notice of Internet Availability of Proxy Materials is first being mailed to stockholders of the Company on or about May 5, 2020, in connection with the solicitation of proxies for the Annual Meeting. The board of directors has fixed the close of business on May 5, 2020 as the record date for the determination of stockholders entitled to notice of, and to vote at, the Annual Meeting (the “Record Date”). Only holders of record of common stock, par value \$0.01 per share, of the Company (the “Common Stock”) at the close of business on the Record Date will be entitled to notice of, and to vote at, the Annual Meeting. As of April 29, 2020, there were 4,626,755 shares of Common Stock outstanding. As of April 29, 2020, there were approximately 54 stockholders of record. Each holder of a share of Common Stock outstanding as of the close of business on the Record Date will be entitled to one vote for each share held of record with respect to each matter properly submitted at the Annual Meeting.

The presence, in person or by proxy, of holders of at least a majority of the voting power of the outstanding shares of the Company entitled to vote generally in the election of directors is necessary to constitute a quorum for the transaction of business at the Annual Meeting. Shares held of record by stockholders or their nominees who do not return a signed and dated proxy, properly deliver proxies via the Internet or telephone, or attend the Annual Meeting in person will not be considered present or represented

at the Annual Meeting and will not be counted in determining the presence of a quorum. Consistent with applicable law, we intend to count abstentions and broker non-votes only for the purpose of determining the presence or absence of a quorum for the transaction of business. A broker “non-vote” refers to shares held by a broker or nominee that does not have the authority, either express or discretionary, to vote on a particular matter. Applicable rules no longer permit brokers to vote in the election of directors if the broker has not received instructions from the beneficial owner. Accordingly, it is important that beneficial owners instruct their brokers how they wish to vote their shares.

With respect to the election of Class II directors in Proposal 1, such directors are elected by a plurality of the votes cast if a quorum is present. Votes may be cast for the directors or withheld. In a plurality election, votes may only be cast in favor of or withheld from the nominee; votes that are withheld will be excluded entirely from the vote and will have no effect. This means that the persons receiving the highest number of “FOR” votes will be elected as a director. Any shares not voted (whether by abstention, broker non-vote or otherwise) will have no impact on the election of directors, except to the extent that the failure to vote for an individual results in another individual receiving a larger percentage of votes.

Approval of Proposal No. 2 regarding the ratification of EisnerAmper LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2020 requires the affirmative vote of a majority of the votes cast at the Annual Meeting in person or by proxy. Any shares not voted (whether by abstention, broker non-vote or otherwise) will have no impact on Proposal No. 2.

Approval of Proposal No. 3 regarding the approval of an amendment of the Company’s Restated Certificate of Incorporation to decrease the number of authorized shares of the Company’s Common Stock to 50,000,000, requires the affirmative vote of the majority of the outstanding shares of Common Stock entitled to vote on such amendment. **Any shares not voted (whether by abstention, broker non-vote or otherwise) will have the same effect as a vote against Proposal No. 3. Accordingly, it is important that beneficial owners instruct their brokers how they wish to vote their shares on Proposal No 3.**

The corporate actions described in this Proxy Statement will not afford stockholders the opportunity to dissent from the actions described herein or to receive an agreed or judicially appraised value for their shares.

You will not receive a printed copy of the proxy materials unless you request to receive these materials in hard copy by following the instructions provided in the Notice of Internet Availability of Proxy Materials. Instead, the Notice of Internet Availability of Proxy Materials will instruct you how you may access and review all of the important information contained in the proxy materials. The Notice of Internet Availability of Proxy Materials also instructs you how you may submit your proxy via the Internet or mail. To the extent you receive a proxy card, such proxy card will also contain instructions on how you may also vote by telephone. If you received a Notice of Internet Availability of Proxy Materials by mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials included in the Notice of Internet Availability of Proxy Materials.

We encourage you to vote either online, by telephone or by completing, signing, dating and returning a proxy card or if you hold your shares through a brokerage firm, bank or other financial institution, by completing and returning a voting instruction form. This ensures that your shares will be voted at the Annual Meeting and reduces the likelihood that we will be forced to incur additional expenses soliciting proxies for the Annual Meeting.

Voting over the Internet, by telephone or mailing a proxy card will not limit your right to vote in person or to attend the Annual Meeting in person. Any record holder as of the Record Date may attend the Annual Meeting and may revoke a previously provided proxy at any time by: (i) executing and delivering a later-dated proxy to the corporate secretary at EyeGate Pharmaceuticals, Inc., 271 Waverley Oaks Road, Suite 108, Waltham, MA 02452; (ii) delivering a written revocation to the corporate secretary at the address above before the meeting; or (iii) voting in person at the Annual Meeting.

Beneficial holders who wish to change or revoke their voting instructions should contact their brokerage firm, bank or other financial institution for information on how to do so. Beneficial holders who wish to attend the Annual Meeting and vote in person should contact their brokerage firm, bank or other financial institution holding shares of Common Stock on their behalf in order to obtain a “legal proxy”, which will allow them to vote in person at the meeting. Attendance at the Annual Meeting will not, by itself, revoke a proxy.

Our board of directors recommends an affirmative vote on all proposals specified in the notice for the Annual Meeting. Proxies will be voted as specified. If your proxy is properly submitted, it will be voted in the manner you direct. **If you do not specify instructions with respect to any particular matter to be acted upon at the meeting, proxies will be voted in favor of the board of directors’ recommendations.**

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting to be Held on Thursday, June 25, 2020: The Proxy Statement and the Company’s Annual Report on Form 10-K for the year ended December 31, 2019 are available at www.proxyvote.com. The Annual Report, however, is not part of the proxy solicitation material.

INFORMATION REGARDING THE BOARD OF DIRECTORS AND ITS COMMITTEES

During the year ended December 31, 2019, our board of directors held nine meetings. Each of the directors attended at least 75% of the total number of meetings of the board of directors and of the committees of which he was a member. The board of directors encourages directors to attend in person the Annual Meeting of Stockholders of the Company, or Special Meeting in lieu thereof, or, if unable to attend in person, to participate by other means, if practicable. In recognition of this policy, the board of directors typically schedules a regular meeting of the board of directors to be held on the date of, and immediately following, the Annual Meeting of Stockholders.

The non-employee directors meet regularly in executive sessions outside the presence of management. Mr. Chaney serves as the Chairman of the board of directors. Among other things, the Chairman provides feedback to the Chief Executive Officer on executive sessions and facilitates discussion among the independent directors outside of meetings of the board of directors. The Chief Executive Officer is responsible for the day-to-day management of our Company and the development and implementation of our Company's strategy. Our board of directors currently believes that separating the roles of Chief Executive Officer and Chairman contributes to an efficient and effective board. Our board of directors does not have a current requirement that the roles of Chief Executive Officer and Chairman of the board be either combined or separated, because the board currently believes it is in the best interests of our Company to make this determination based on the position and direction of our Company and the constitution of the board and management team. From time to time, the board will evaluate whether the roles of Chief Executive Officer and Chairman of the board should be combined or separated. The board has determined that having separate roles of our Company's Chief Executive Officer and Chairman is in the best interest of our stockholders at this time.

Independent Directors

Our board of directors is currently composed of eight members. Under the published listing requirements of Nasdaq, independent directors must comprise a majority of a listed company's board of directors within twelve months of the completion of an initial public offering. All of the members of our board except for Mr. Boyd, Dr. Maher and Mr. From qualify as independent directors in accordance with the published listing requirements of Nasdaq.

Classified Board

Our board of directors is divided into three classes with staggered three-year terms. At each annual meeting of stockholders, the successors to directors whose terms then expire will be elected to serve from the time of election and qualification until the third annual meeting following election. Our directors are divided among the three classes as follows:

- The Class II directors are Thomas E. Hancock, Praveen Tyle and Morton F. Goldberg, MD and their terms expire at this Annual Meeting (and, if re-elected, the annual meeting of stockholders to be held in 2023);
- The Class III directors are Stephen From and I. Keith Maher, MD, and their terms expire at the annual meeting of stockholders to be held in 2021; and
- The Class I directors are Paul Chaney, Bernard Malfroy-Camine and Steven J. Boyd, and their terms expire at the annual meeting of stockholders to be held in 2022.

The authorized number of directors may be changed only by resolution of the board of directors. This classification of the board of directors into three classes with staggered three-year terms may have the effect of delaying or preventing changes in our control or management.

Role of Board in Risk Oversight Process

Our board of directors has responsibility for the oversight of the company's risk management processes and, either as a whole or through its committees, regularly discusses with management our major risk exposures, their potential impact on our business and the steps we take to manage them. The risk oversight process includes receiving regular reports from board committees and members of senior management to enable our board to understand the company's risk identification, risk management and risk mitigation strategies with respect to areas of potential material risk, including operations, finance, legal, regulatory, strategic and reputational risk.

The audit committee reviews information regarding liquidity and operations, and oversees our management of financial risks. Periodically, the audit committee reviews our policies with respect to risk assessment, risk management, loss prevention and regulatory compliance. Oversight by the audit committee includes direct communication with our external auditors, and discussions with management regarding significant risk exposures and the actions management has taken to limit, monitor or control such exposures. The compensation committee is responsible for assessing whether any of our compensation policies or programs has the potential to encourage excessive risk-taking. The nominating and corporate governance committee manages risks associated with the independence of the board, corporate disclosure practices, and potential conflicts of interest. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire board is regularly informed through committee reports about such risks. Matters of significant strategic risk are considered by our board as a whole.

Corporate Governance

We believe our corporate governance initiatives comply with the Sarbanes-Oxley Act and the rules and regulations of the SEC adopted thereunder. In addition, we believe our corporate initiatives comply with the rules of The Nasdaq Capital Market. Our board of directors continue to evaluate our corporate governance principles and policies.

Our board of directors have adopted a code of business conduct that applies to each of our directors, officers and employees. The code addresses various topics, including:

- compliance with applicable laws, rules and regulations;
- conflicts of interest;
- public disclosure of information;
- insider trading;
- corporate opportunities;
- competition and fair dealing;
- gifts;
- discrimination, harassment and retaliation;
- health and safety;
- record-keeping;
- confidentiality;
- protection and proper use of company assets;
- payments to government personnel; and
- reporting illegal and unethical behavior.

The code of business conduct is posted on our website. Any waiver of the code of business conduct for an executive officer or director may be granted only by our board of directors or a committee thereof and must be timely disclosed as required by applicable law. The code of business conduct will implement whistleblower procedures that establish format protocols for receiving and handling complaints from employees. Any concerns regarding accounting or auditing matters reported under these procedures will be communicated promptly to the audit committee.

Board Committees

Our board of directors has established an audit committee, a compensation committee and nominating and corporate governance committee, each of which operate under a charter that has been approved by our board. The directors serving as members of these committees meet the criteria for independence under, and the functioning of these committees complies with, the applicable requirements of the Sarbanes-Oxley Act and SEC rules and regulations. In addition, we believe that the functioning of these committees complies with the rules of The Nasdaq Capital Market. Each committee has the composition and responsibilities described below.

Audit Committee

Our board of directors has established an audit committee, which is comprised of Thomas E. Hancock, Paul Chaney and Praveen Tyle, each of whom is a non-employee member of the board of directors. Thomas E. Hancock serves as the chair of the audit committee. The audit committee met five times during 2019. The audit committee's main function is to oversee our accounting and financial reporting processes, internal systems of control, independent registered public accounting firm relationships and the audits of our financial statements. Pursuant to the audit committee charter, the functions of the committee include, among other things:

- meeting independently with our registered public accounting firm and management;
- preparing the audit committee report required by SEC rules;
- reviewing and approving or ratifying any related person transactions; and
- overseeing our risk assessment and risk management policies.

All members of our audit committee meet the requirements for financial literacy under the applicable rules and regulations of the SEC. Our board of directors has determined that Thomas E. Hancock is an "audit committee financial expert" as defined by applicable SEC rules. In addition, our board of directors has also determined that Mr. Hancock has the requisite financial sophistication under applicable Nasdaq rules and regulations.

Compensation Committee

Pursuant to this agreement, Mr. From currently receives an annual base salary of \$400,000 and is entitled to receive a bonus of up to 50% of his annual base salary for the applicable fiscal year.

On November 29, 2017, we entered into a Third Amended and Restated Employment Agreement with Mr. From, which was amended on November 26, 2019. The restated agreement, as amended, provides for a severance payment to Mr. From upon the occurrence of a Change of Control (as defined in the agreement) of the Company, with the payment amount to be determined based on the value of the transaction that results in the Change of Control, up to a maximum of 1.5% of the transaction value. Additionally, the restated agreement, as amended, increases the benefits that would be realized by Mr. From upon termination by us without Cause or by Mr. From for Good Reason (as such terms are defined in the restated agreement) to include (i) 18 months of salary continuation payments, (ii) an amount equal to 1.5 multiplied by the maximum performance bonus that he would have been eligible to receive in the year of termination, assuming achievement of all applicable performance metrics at target level, (iii) 18 months of COBRA subsidy payments, and (iv) 18 months of accelerated vesting of stock options and/or restricted stock awards that are unvested at the time of termination.

Sarah Romano

We originally entered into an offer letter with our Chief Financial Officer, Sarah Romano, effective as of January 1, 2018. Pursuant to the letter, Ms. Romano initially received an annual base salary of \$200,000 and she was entitled to receive a bonus with an annual target of up to 25% of her annual base salary.

On March 23, 2020, we entered into an Employment Agreement with Ms. Romano that superseded her offer letter. Pursuant to this agreement, Ms. Romano currently receives an annual base salary of \$275,000 and is entitled to receive a bonus with an annual target of up to 30% of her annual base salary. The agreement also provides that upon termination of Ms. Romano by us without Cause or by Ms. Romano for Good Reason (as such terms are defined in the agreement), Ms. Romano will be eligible to receive (i) six months of salary continuation payments, (ii) an amount equal to 0.5 multiplied by the maximum performance bonus that she would have been eligible to receive in the year of termination, assuming achievement of all applicable performance metrics at target level, (iii) six months of COBRA subsidy payments, and (iv) six months of accelerated vesting of stock options and/or restricted stock awards that are unvested at the time of termination.

Change of Control

Each of our named executive officers is eligible to receive certain benefits in the event of a change in control or if his employment is terminated under certain circumstances, as described under "Potential Payments Upon Termination or Change in Control" below.

Equity Compensation

We grant stock options and restricted shares to our named executive officers as the long-term incentive component of our compensation program. Stock options allow employees to purchase shares of our Common Stock at a price per share equal to the fair market value of our Common Stock on the date of grant and may or may not be intended to qualify as “incentive stock options” for United States federal income tax purposes. In the past, our board of directors has determined the fair market value of our Common Stock based upon inputs including valuation reports prepared by third-party valuation firms. Generally, one third of the equity awards we grant vest on the first year anniversary, with the remainder vesting in equal monthly installments over 24 months, subject to the employee’s continued employment with us on the vesting date and our board of directors has discretion to provide that granted options will vest on an accelerated basis if a change of control of our company occurs, either at the time such award is granted or afterward.

Change in Control Severance Plan

On November 27, 2017, we adopted the EyeGate Pharmaceuticals, Inc. Change in Control Severance Plan, which we amended and restated on November 26, 2019 (as amended and restated, the "Change in Control Severance Plan"). The Change in Control Severance Plan provides us with assurance that we will have the continued dedication of, and the availability of objective advice and counsel from, executives and other employees and promotes certainty and minimize potential disruption for our employees in the event we are faced with or undergo a change in control. All of our full-time employees are participants in the Change in Control Severance Plan, with the exception of Mr. From. Under the Change in Control Severance Plan, upon a termination of employment without Cause by us or for Good Reason by the employee (as

such terms are defined in the Change in Control Severance Plan), in either case during the period starting on the date when the definitive agreement for a Change in Control (as defined in the Change in Control Severance Plan) is executed and ending on the six-month anniversary following the consummation of such Change in Control transaction, subject to the execution of a release of claims, our full-time employees (other than Mr. From) would be entitled to the following compensation and benefits:

- a lump sum severance payment equal to three weeks of such employee's then-effective base salary rate for each year of service completed by the employee, subject to the following minimum and maximum amounts:
 - for all participants that are executive officers or have the title of vice president or higher, a minimum amount equal to 26 weeks of base salary and a maximum amount equal to 52 weeks of base salary, and
 - for all other participants, a minimum amount equal to eight weeks of base salary and a maximum amount equal to 26 weeks of base salary;
- a lump sum payment of the employee's prorated annual incentive award for the year of termination, determined assuming achievement of target performance;
- the payment of any annual incentive that has been earned but not yet paid in respect of any performance period that has concluded as of the executive officer's termination of employment; and
- payment of health insurance premiums under COBRA for six months following the date of termination, provided that all such premium payments will cease if the executive officer becomes entitled to receive health insurance coverage under another employer-provided plan.

In the event that any payments under the plan are subject to Section 280G of the Internal Revenue Code, such payments will be reduced, unless not reducing the amount would result in an after-tax benefit to the employee of at least 5% greater than the reduced amount. The Change in Control Severance Plan does not provide excise tax gross-ups on payments to participants.

Employee Benefits and Perquisites

Our named executive officers are eligible to participate in our health and welfare plans to the same extent as all full-time employees. (1) One-third of these options vest on the one-year anniversary of the grant date, with the remainder vesting in equal monthly installments over the remaining two years.

All option awards were granted under our 2005 Equity Incentive Plan, or the 2005 Plan, and our 2014 Equity Incentive Plan, or the 2014 Plan.

Limitations of Liability and Indemnification Matters

Our restated certificate of incorporation and our amended and restated bylaws provide that we will indemnify our directors and officers to the fullest extent permitted by the Delaware General Corporation Law, which prohibits our restated certificate of incorporation from limiting the liability of our directors for the following:

- any breach of the director's duty of loyalty to us or our stockholders;
- acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law;
- unlawful payment of dividends or unlawful stock repurchases or redemptions; or
- any transaction from which the director derived an improper personal benefit.

Our restated certificate of incorporation and our amended and restated bylaws also provide that if Delaware law is amended to authorize corporate action further eliminating or limiting the personal liability of a director, then the liability of our directors will be eliminated or limited to the fullest extent permitted by Delaware law, as so amended. This limitation of liability does not apply to liabilities arising under the federal securities laws and does not affect the availability of equitable remedies such as injunctive relief or rescission.

Our restated certificate of incorporation and our amended and restated bylaws also provide that we shall have the power to indemnify our employees and agents to the fullest extent permitted by law. Our amended and restated bylaws also permit us to secure insurance on behalf of any officer, director, employee or other agent for any liability arising out of his or her actions in this capacity, regardless of whether our amended and restated bylaws would permit indemnification. We have obtained directors' and officers' liability insurance.

We entered into separate indemnification agreements with our directors and executive officers, in addition to indemnification provided for in our restated certificate of incorporation and amended and restated bylaws. These agreements, among other things, provide for indemnification of our directors and executive officers for certain expenses, judgments, fines and settlement amounts, among others, incurred by such person in any action or proceeding arising out of such person's services as a director or executive officer in any capacity with respect to any employee benefit plan or as a director, partner, trustee or agent of another entity at our request. We believe that these provisions in our restated certificate of incorporation and amended and restated bylaws and indemnification agreements are necessary to attract and retain qualified persons as directors and executive officers.

The above description of the indemnification provisions of our restated certificate of incorporation, our amended and restated bylaws and our indemnification agreements is not complete and is qualified in its entirety by reference to these documents.

The limitation of liability and indemnification provisions in our restated certificate of incorporation and amended and restated bylaws may discourage stockholders from bringing a lawsuit against directors for breach of their fiduciary duties. They may also reduce the likelihood of derivative litigation against directors and officers, even though an action, if successful, might benefit us and our stockholders. A stockholder's investment may be harmed to the extent we pay the costs of settlement and damage awards against directors and officers pursuant to these indemnification provisions. Insofar as indemnification for liabilities under the Securities Act may be permitted to directors, officers or persons controlling us pursuant to the foregoing provisions, we have been informed that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable. There is no pending litigation or proceeding naming any of our directors or officers as to which indemnification is being sought, nor are we aware of any pending or threatened litigation that may result in claims for indemnification by any director or officer.

REPORT OF THE COMPENSATION COMMITTEE

Under rules of the Securities and Exchange Commission, as a Smaller Reporting Company, we are not required to provide a report of the Compensation Committee.

DIRECTOR COMPENSATION

We use a combination of cash and stock-based incentive compensation to attract and retain qualified candidates to serve on our board of directors. In setting director compensation, the board of directors and the compensation committee consider the significant amount of time that directors expend in fulfilling their duties to the Company as well as the skill-level required by the Company of members of the board of directors. Stephen From, our President and CEO, receives no compensation for his service as a director.

Each member of our board of directors who is not our employee is entitled to receive the following cash compensation for board services, as applicable:

- \$35,000 per year for service as a board of directors member;
- \$62,500 per year for service as chairman of the board of directors;
- \$15,000 per year for service as chairman of the audit committee;
- \$10,000 per year for service as chairman of the compensation committee;
- \$7,000 per year for service as chairman of the nominating and corporate governance committee;
- \$7,500 per year for service as non-chairman member of the audit committee;
- \$5,000 per year for service as non-chairman member of the compensation committee; and
- \$3,500 per year for service as non-chairman member of the nominating and corporate governance committee.

The amounts listed above will be reduced proportionally to the extent that a director attends, either telephonically or in person, fewer than 75% of the meetings of the board or committees on which such director serves, as applicable.

Each new non-employee member of our board of directors that is elected to our board of directors will receive a grant of non-statutory stock options under the 2014 Equity Incentive Plan. Such option will be granted following his or her initial election to the board of directors and will be a non-statutory stock option to purchase shares of Common Stock with an exercise price equal to the fair market value of our Common Stock on the grant date. These initial option grants will vest with respect to one-third (1/3) of the underlying shares on the first anniversary of the applicable grant date and ratably in monthly installments over the following 24 months. For purposes of our director grant program, a non-employee director is a director who is not employed by us and who does not receive compensation from us (excluding the non-employee director compensation described above) or have a business relationship with us that would require disclosure under certain SEC rules.

In addition, on the date of each annual meeting of our stockholders, each non-employee director will be eligible to receive a non-statutory stock option to purchase 3,333 shares of our Common Stock with an exercise price equal to the fair market value of our Common Stock on the grant date. A non-employee director who receives an initial award will not receive the additional annual award in the same calendar year. Automatic annual grants vest in full on the one-year anniversary of the grant date.

All options granted to the non-employee directors as described above will have a maximum term of ten years.

We also reimburse our non-employee directors for their reasonable out-of-pocket expenses incurred in attending board of directors and committee meetings.

All of the transactions set forth below were approved by a majority of our board of directors, including a majority of the independent and disinterested members of our board of directors. October 2019 Private Placement

On September 29, 2019, we entered into a Securities Purchase Agreement (the “Purchase Agreement”) with Armistice Capital Master Fund, Ltd. (“Armistice”), pursuant to which we issued to Armistice in a private placement (the “Private Placement”) 600,000 shares of our Common Stock and warrants to purchase 600,000 shares of our Common Stock. The combined purchase price per share and warrant was \$3.125. The Private Placement closed on October 2, 2019. The warrants will have an exercise price of \$3.125 per share, subject to adjustments as provided under the terms of the warrants, and became exercisable on the six month anniversary of their issuance date. The warrants are exercisable for five years from the issuance date. In connection with the Private Placement, we also entered into a Registration Rights Agreement with Armistice (the “Registration Rights Agreement”), pursuant to which we were required to file, and did file, a registration statement with the Securities and Exchange Commission following the closing of the Private Placement to register for resale the shares of Common Stock and the shares of Common Stock issuable upon the exercise of the Warrants sold in the Private Placement.

Indemnification Agreements

We have entered into separate indemnification agreements with our directors and executive officers, in addition to indemnification provided for in our restated certificate of incorporation and amended and restated bylaws. These agreements, among other things, provide for indemnification of our directors and executive officers for certain expenses, judgments, fines and settlement amounts, among others, incurred by such person in any action or proceeding arising out of such person’s services as a director or executive officer in any capacity with respect to any employee benefit plan or as a director, partner, trustee or agent of another entity at our request. We believe that these provisions in our restated certificate of incorporation and amended and restated bylaws and indemnification agreements are necessary to attract and retain qualified persons as directors and executive officers.

EXPENSES OF SOLICITATION

We will pay the entire expense of soliciting proxies for the Annual Meeting. In addition to solicitations by mail, certain of our directors, officers and employees (who will receive no compensation for their services other than their regular compensation) may solicit proxies by telephone, telegram, personal interview, facsimile, e-mail or other means of electronic communication. Banks, brokerage houses, custodians, nominees and other fiduciaries have been requested to forward proxy materials to the beneficial owners of shares of Common Stock held of record by them as of the Record Date, and such custodians will be reimbursed for their expenses.

SUBMISSION OF STOCKHOLDER PROPOSALS FOR THE 2021 ANNUAL MEETING

Stockholder proposals intended to be presented at our 2021 annual meeting of stockholders must be received by us on or before January 5, 2021 in order to be considered for inclusion in our proxy statement and form of proxy for that meeting. These proposals must also comply with the rules of the Securities and Exchange Commission governing the form and content of proposals in order to be included in our proxy statement and form of proxy and should be mailed to: Secretary, EyeGate Pharmaceuticals, Inc., 271 Waverley Oaks Road, Suite 108, Waltham, MA 02452.

Our By-laws provide that any stockholder of record wishing to have a stockholder proposal that is not included in our proxy statement considered at an annual meeting must provide written notice of such proposal and appropriate supporting documentation, as set forth in the By-laws, to our Secretary at our principal executive office not less than 45 days or not more than 75 days prior to the first anniversary of the date when we first mailed proxy materials for the preceding year's annual meeting to stockholders. In the event, however, that the annual meeting is scheduled to be held more than 30 days before the first anniversary of the preceding year's annual meeting or more than 30 days after such anniversary date, notice must be delivered not later than the later of (i) 10 days following the date of public announcement of the date of such meeting or (ii) 90 days prior to the date of such meeting. Proxies solicited by the board of directors will confer discretionary voting authority on the proxy holders with respect to these proposals, subject to rules of the SEC governing the exercise of this authority.

SUBMISSION OF SECURITYHOLDER RECOMMENDATIONS FOR DIRECTOR CANDIDATES

Our nominating and corporate governance committee identifies, evaluates and recommends director candidates to our board of directors for nomination. The process followed by the nominating and corporate governance committee to identify and evaluate director candidates includes requests to current directors and others for recommendations, meetings to evaluate potential candidates and interviews of selected candidates. The Company does not pay any fees to third parties to identify or evaluate potential nominees.

Our nominating and corporate governance committee will evaluate all such proposed director candidates, including those recommended by securityholders in compliance with the procedures established by our nominating and corporate governance committee, in the same manner, with no regard to the source of the initial recommendation of such proposed director candidate. When considering a potential candidate for membership on the board of directors, our nominating and corporate governance committee may consider, in addition to the minimum qualifications and other criteria for board membership approved by the board of directors, all facts and circumstances that the nominating and corporate governance committee deems appropriate or advisable, including, among other things, the skills of the proposed director candidate, his or her availability, depth and breadth of business experience or other background characteristics, his or her independence and the needs of the board of directors. At a minimum, each nominee must have high personal and professional integrity, have demonstrated ability and judgment, and be effective, in conjunction with the other directors and nominees, in collectively serving the long-term interests of the stockholders. In addition, the nominating and corporate governance committee will recommend that the board select persons for nomination to help ensure that a majority of the board shall be “independent” in accordance with Nasdaq rules and each of its audit, compensation and nominating and corporate governance committees shall be comprised entirely of independent directors; provided, however, in accordance with Nasdaq rules, under exceptional and limited circumstances, if a committee has at least three members, the board may appoint one individual to such committee who does not satisfy the independence standards. Although there is no specific policy regarding the consideration of diversity in identifying director nominees, the nominating and corporate governance committee may consider whether the nominee, if elected, assists in achieving a mix of board members that represents a diversity of background and experience. The nominating and corporate governance committee also may consider whether the nominee has direct experience in the biotechnology, pharmaceutical and/or life sciences industries or in the markets in which the Company operates.

All securityholder recommendations for director candidates must be submitted in writing to our Secretary at EyeGate Pharmaceuticals, Inc., 271 Waverley Oaks Road, Suite 108, Waltham, MA 02452, who will forward all recommendations to the nominating and corporate governance committee. All securityholder recommendations for director candidates must be submitted to us not less than 120 calendar days prior to the anniversary of the date on which our proxy statement was released to securityholders in connection with the previous year’s annual meeting. All securityholder recommendations for director candidates must include:

- the name and address of record of the securityholder,
- a representation that the securityholder is a record holder of our securities, or if the securityholder is not a record holder, evidence of ownership in accordance with Rule 14a-8(b)(2) of the Securities Exchange Act of 1934,
- the name, age, business and residential address, educational background, public company directorships, current principal occupation or employment, and principal occupation or employment for the preceding five full fiscal years of the proposed director candidate,
- a description of the qualifications and background of the proposed director candidate which addresses the minimum qualifications and other criteria for board membership approved by the board of directors and set forth in the nominating and corporate governance committee charter,
- a description of all arrangements or understandings between the securityholder and the proposed director candidate,
- the consent of the proposed director candidate to be named in the proxy statement, to have all required information regarding such director candidate included in the proxy statement, and to serve as a director if elected, and

- any other information regarding the proposed director candidate that is required to be included in a proxy statement filed pursuant to the rules of the SEC.

The mailing envelope should contain a notation indicating that the enclosed letter is a “Stockholder-Board Communication”. PROPOSAL 3

APPROVAL OF AN AMENDMENT OF OUR RESTATED CERTIFICATE OF INCORPORATION TO REDUCE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK TO 50,000,000

Our Restated Certificate of Incorporation, as amended, currently authorizes the issuance of 120,000,000 shares of Common Stock, par value \$0.01 per share. On April 15, 2020, our board of directors approved a proposal to amend our Restated Certificate of Incorporation to decrease the number of shares of Common Stock that we are authorized to issue from 120,000,000 shares to 50,000,000 shares, subject to stockholder approval.

As of April 17, 2020, of the 120,000,000 currently authorized shares of Common Stock, 4,626,755 were issued and outstanding. Additionally, 4,151,005 shares were reserved for issuance under our 2014 Equity Incentive Plan, our 2014 Employee Stock Purchase Plan, pursuant to the conversion of outstanding shares of Series C Preferred Stock and pursuant to the exercise of outstanding warrants.

Purpose of the Amendment

As a Delaware corporation, we are required annually to make franchise tax payments to the State of Delaware in an amount determined, in part, by the total number of shares of capital stock we are authorized to issue under our Restated Certificate of Incorporation. Accordingly, by reducing the number of authorized shares of our Common Stock, we will significantly reduce the amount of our annual franchise tax obligation, based on current Delaware law.

Our board of directors believes the proposed amendment to be advisable and in the best interests of the Company and our stockholders and is accordingly submitting the proposed amendment to be voted on by the stockholders in order to preserve capital and minimize franchise tax obligations to the State of Delaware. If the authorization of a decrease in the available Common Stock is not approved, the Company will continue to incur higher than desired franchise taxes owed to the State of Delaware.

Text of the Amendment

Our board of directors proposes to amend the first sentence of Article IV, Subsection (A) of our Restated Certificate of Incorporation so that it would read in its entirety as follows:

“The total number of shares of all classes of stock which the Corporation shall have authority to issue is 60,000,000, consisting of 50,000,000 shares of Common Stock, par value \$0.01 per share (the “Common Stock”), and 10,000,000 shares of Preferred Stock, par value \$0.01 per share (the “Preferred Stock”).”

The Certificate of Amendment attached hereto as Appendix A reflects the changes that will be implemented to our Restated Certificate of Incorporation if this Proposal No. 3 is approved by the stockholders.

Potential Adverse Effects of Amendment

The proposed decrease in the number of authorized shares of our Common Stock could adversely affect us. We will have less flexibility to issue shares of Common Stock, including in connection with a potential merger or acquisition, stock dividend or equity offering. In the event that our board of directors determines that it would be in our best interest and the best interest of our stockholders to issue a number of shares of Common Stock in excess of the number of then authorized but unissued and unreserved shares of Common Stock, we would be required to seek the approval of our stockholders to increase the number of shares of authorized Common Stock. If we are not able to obtain the approval of our stockholders for such an increase in a timely fashion, we may be unable to take advantage of opportunities that might otherwise be advantageous to us and our stockholders. However, our board of directors believes that these potential risks are outweighed by the anticipated benefits of reducing our Delaware franchise tax obligations.

Effectiveness of Amendment

If the proposed amendment is adopted, the number of authorized shares of our Common Stock will be decreased from 120,000,000 to 50,000,000. The proposed preferred stock amendment will not change the par value of the shares of our Common Stock, affect the number of shares of our Common Stock that are outstanding, or affect the rights or privileges of holders of shares of our Common Stock. If the proposed amendment is adopted, it will become effective upon the filing of a certificate of amendment to our Restated Certificate of Incorporation with the Secretary of State of the State of Delaware, which we expect to file promptly after the Annual Meeting. If the proposed amendment is not approved by stockholders, the number of authorized shares of Common Stock will remain unchanged.

Vote Required

The affirmative vote of the majority of the outstanding shares of Common Stock entitled to vote on such matter is required for the approval of the Certificate of Amendment to our Restated Certificate of Incorporation to reduce the number of authorizes shares of Common Stock to 50,000,000.

OUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE APPROVAL OF THE CERTIFICATE OF AMENDMENT TO OUR RESTATED CERTIFICATE OF INCORPORATION TO REDUCE THE NUMBER OF AUTHORIZES SHARES OF COMMON STOCK TO 50,000,000. PROPERLY AUTHORIZED PROXIES SOLICITED BY THE BOARD OF DIRECTORS WILL BE VOTED “FOR” THE APPROVAL OF THE CERTIFICATE OF AMENDMENT UNLESS INSTRUCTIONS TO THE CONTRARY ARE GIVEN.
