Kiora Pharmaceuticals, Inc. (the "Company") is unable to file its Form 10-K for the year ended December 31, 2021 (the "Form 10-K") in a timely manner without unreasonable effort and expense due to unanticipated delays experienced by the Company in completing its financial statements and other disclosures in the Form 10-K, primarily due to an ongoing assessment of potential impairment of the Company's goodwill and/or intangible assets. As a result, the Company is still in the process of compiling required information to complete the Form 10-K and requires additional time to complete its review of the financial statements for the year ended December 31, 2021 to be incorporated in the Form 10-K and to complete its assessment of the Company's internal control over financial reporting. The Company presently anticipates that it will file the Form 10-K before the fifteenth calendar day following the prescribed due date.

Certain matters discussed in this Form 12b-25 constitute forward-looking statements within the meaning of the federal securities laws. All statements contained in this Form 12b-25 that do not relate to matters of historical fact should be considered forward-looking statements.
